This report is a monthly publication issued by the Central Statistical Office in cooperation with the Immigration Head Office of the Ministry of Interior. It is based on the information supplied by persons leaving or entering the country via air, sea or road.

The Immigration Office is the agency that enforces the immigration regulation, (issued on Negarit Gazeta of the 28th year number 25, dated July 22, 1969) and the collection of the information (international migration statistics). The information collected are date and port of entry or exit; full name; sex; date, place and country of birth; nationality; country of residence; occupation; passport number; place and date on which the passport is issued; issuing authority; purpose of entry or exit;;origin or destination of the journey; method of transport and length of stay. The information is supplied on an entry or exit card at the port of entry or exit. The cards from the branch offices at all the ports of the empire are sent to the Immigration Head Office at Addis Ababa. After the office has taken all the information it needs, the cards are sent to the Central Statistical Office where it is coded and the information is put on punch cards. Then the data are processed at the Central Statistical Office on a monthly basis.

The primary purpose of the report is to provide information which could assist agencies like the Planning Commission, Ethiopian Tourist Organization, Ethiopian Tourism and Hotels Investment Corporation, Airline Companies, Travel Agencies ----------etc in their development planning and programming.
